

# Stay Out Stranger

**Police are reminding residents to remember the doorstep code following a small number of bogus callers in the area.**

Bogus callers are very persuasive and will use any excuse to trick their way into your home. Following the steps below will help protect you from becoming a victim.

***Remember:***

- **Always keep your door locked and use a spy hole or window to check who is outside**
- **Do not open the door if you are not expecting or do not recognise someone at your door**
- **Avoid keeping large amounts of cash at home**

**If you receive someone suspicious at your door always call the police on 999**
